Do you have any suggestions for how today's international networking could have been improved?

It went very well, I would encourage doing it more often!

This was great, thank you

It was awesome!

I was surprised when I was asked to find something to represent my culture. I wish I had known ah

Do this more often! It was so much fun! I learned so much more than I could have though! Thank y

No, I loved it!

I would love to speak with them more if we can! I really enjoyed learning about Korean culture and

No, I loved it!

Everything went great, thanks for setting this up!

No

As I said, I thought everything went very smoothly and it was one of the most interesting and excitii

As I said, I thought everything went very smoothly and it was one of the most interesting and excitii

I think that it went awesome. An idea that would help further continue our learning is maybe doing |

ead of time.

ou for setting that up for us!

teaching in Korea. I would love to know more about the curriculum and values in Korea. Th
