Dear Miss McGlynn,

Still here. Don't know what they want to keep us here for so long a time -
Received the picture thanks for sending them along - /ditto to Mr. Whitman/.
An opinion ventured from N.C - send along the bitter with the sweet it's hard
but you kinda get used to it - I know most of the boys will feel that way too -
saw "Marrie" write-up - Thanks again - will write when I leave.

Sincerely,
JDC
