[Note]

Dear Edna,

“Making history” has kept me quite busy during recent weeks. Am here after 50 days on the deep. Rec’d your thoughtful Xmas greeting, your recent letters, notices from C.D.C. [Collegiate Defense Committee] and its Christmas gift. I don’t suppose I know many of “the gang” who sent it but will you thank them for me. Hawaii is pleasant even around Dec. 25. The pastels on this card are indicative of its mellow climate and beautiful flowers (hibiscus and poinsettia mainly) glad to hear from Jim McKinley is o.k. Wasn’t aware how of his predicament till a few days ago. Edna, to you, Priscilla and all the family may I say at this opportunity “May the Christ of Bethlehem show you with his many blessings both now and through the coming year.”

Sincerely,
Dick
