

Salem Dance Ensemble presents

Dances in the Raw November 25, 2019

Welcome to *Dances in the Raw*! Tonight's event is a unique opportunity to experience an array of dance works that are in varying stages of their development. A dance, like any art form, is never truly finished. This evening, we celebrate a process-oriented approach to art-making, we honor the immense amount of work involved in creating a fully-realized dance piece, and we invest in the potential for dances works to evolve over time.
